PRACTICAL

Rules & guidelines for partners

01 Exhibition space

Each partner receives a table, chair(s) and electricity. Tables may or may not be covered with linen, so please bring your own if you wish. Please tell us in advance if your demonstration equipment needs extra power.

03 Insurance & liability

Partners are responsible for their own equipment and materials and for any damage they cause to property or persons. The Congress Organizer accepts no liability for loss, theft or damage, including to equipment left unattended.

05 Cancellation by the partner

Please notify the Organizing Committee in writing as soon as possible. Refunds are considered case by case, depending on the reason and the date of notification.

02 Set-up & breakdown

Set-up from Tuesday 15 June 2027, 08:00. Breakdown from Thursday 17 June 2027, 15:00. Please leave tables and space in the condition you found them and dispose of materials properly.

04 Payment

After you sign up by email, we send a Sponsorship Agreement. Once confirmed, the full amount is invoiced and due on receipt. In case of non-compliance, the Organizing Committee may terminate the agreement and, in certain cases, retain any partial payment.

06 Force majeure

If the congress is cancelled due to force majeure, the sponsorship fee is refunded. Other costs incurred by the partner are not compensated. The Board confirms the congress will go ahead by 1 February 2027 at the latest.
